

Student Council Meeting Minutes

Date: 01.12.2021		Time: 10:30 – 10:50
Present: Mrs. Calder Janat, Caleb, Thomas, Kate, Rose		Apologies: Jude
What we are talking about	What we have said	Do we need to do more?
Kindness Poster	Kindness poster discussed for final design. 5 winners as we couldn't choose the best one, so we are making one big poster from all 5! We have prizes for the winners we will give out on Friday 3 rd December. - Aleena (Go), Julia (Go), Rose (Gi), Kimberly (Gi) and Alex (Go).	Give out the prizes and Mrs. Calder to make the poster to share.
Suggestion box	We need a suggestion box so everyone knows they can get their ideas to us.	We are going to make a box and have it underneath our display in the hall.
Playground equipment	We have had suggestions for more football equipment and a slide or climbing frame.	We are going to ask Mr Ainscow and perhaps do some fundraising.
School Uniform	We had a suggestion that we do a school uniform sale outside for parents as we have so much spare uniform.	We are going to check with Mr Ainscow and get a date if we can.
Recycling	Recycling in the school is not done as often as we would like. We would like to have more recycling bins for each classroom and a food waste bin in the hall to highlight the importance of 'Save our planet' and climate change.	We will see how much recycling bins per classroom cost and ask everyone to design a recycling poster for their class.
Christmas Cards	To give everyone a chance to share Christmas cards across the school we would like each class to make a class post box. We will have a sack or post box at reception where cards can go to and then student council representatives will come along and post cards in each class post box.	Classes to make a post box from large cereal box, red paper and cotton wool with a slot in to post cards through.
