

Student Council Meeting Minutes

Date: 12.01.22		Time: 10:30 – 10:55
Present: Mrs. Calder, Janat, Caleb, Thomas, Kate, Rose, Jude		Apologies:
What we are talking about	What we have said	Do we need to do more?
Suggestion box	Being finished by the student council. Work together during Golden time and finish the box.	Let teachers, lunch time supervisors, cleaners and sports staff know about the suggestion box so that it is kept safe in the hall.
Playground equipment and fundraising	We have had suggestions for more football equipment and a slide or climbing frame. We have spoken with Mr Ainscow today about the sorts of equipment we might be able to buy. We spoke about maybe doing a bake sale to raise money for this equipment.	Ask each class to tell us the types of equipment they might like. We will spread the word in the playground and in assembly that people can find us on the playground or put a suggestion in the suggestion box for the type of equipment. From gloves, to footballs, to red and yellow cards.
Recycling	We discussed with Mr Ainscow that we would like a recycling bin for each classroom to help with paper wastage. We would like a food compost bin to stop food wastage and reduce our black sacks. We discussed why recycling is so important.	Mr Ainscow is going to see what other schools do with their food waste and look at the sort of recycling bin we can have in our classes ready for spring term. We shall create posters to encourage children to recycle when the bins arrive.
Running inside	We have noticed some children are not walking like a smart smartie tube around the school	We are going to design a range of posters to remind children to walk and not run.
New Books	A suggestion has been raised that we would like a range of new books for higher readers (White, Gold, Lime, Free)	Children to ask for further suggestions in their suggestion box on different ranges of books that could be bought to pass on to Mrs Langford. Perhaps a lovely series to share.
All about us!	Year 1 and Foundation student council members will finish their sentences all about themselves to put on the display board in the hall.	Will finish their sentences all about themselves to put on the display board in the hall.
SWAY	We looked at December sway	All children to write a sentence for the February sway.
Lost Property	Lost property is building up a lot in the playground. Lots of water bottles, jumpers, cardigans, gloves, hats and so on are getting lost.	We are going to go to each teacher's classroom to give out lost property. Kate and Rose will speak with the Yr 2 classes, Jude and Thomas and speak with Yr 1 and Janat and Caleb to get the box from KS1 today. Any remaining items we will take photos to share on social media.
Visitors	We discussed that we would like to see some more outdoor visitors from police and other services to speak about their roles.	We shall speak with Mr Ainscow and look at the school calendar to see if we can have an assembly with a visitor.
