Dear Parents and Carers,

As part of our commitment to work in partnership with parents and share information on your child's learning, we have secured six Stay and Play dates over the academic year. These Stay and Play dates are a wonderful opportunity to come into school to enjoy and share your child's learning experience with them. The children will be able to direct you to their favourite activity, show you around their classroom and provision activities and get you involved in how they learn.

The expectation is not that you attend all of them, but enables you to choose which one, or more, that suits your current commitments. Each session runs from 2:30pm – 3pm, at which time you are free to collect your child's belongings and head home for the day.

Two weeks prior to each session you will be sent a Microsoft form to complete to register your interest so that we are aware of the number of adults attending. Below, you will find the dates for the year and a link to register your interest for the first session on 12<sup>th</sup> October.

If you have any further questions regarding the Stay and Play session, please speak to your child's class teacher.

Kind Regards

Mrs Anne Andrews
