Dear Parent/Carer

Reception and Year 6 children will soon be taking part in the National Child Measurement Programme (NCMP).

Reception Year children (and invited Year 1 & Year 2 children) will also receive School Entrant Vision and Hearing Screening.

Earlier this academic year, we wrote to you with details of these programmes.

If you haven't already done so, please remember to register for a School Health Parent Portal account so you can access your child's results following the measurements.

What do I need to do?

1. Click the link below, this will take you to the registration landing page
2. Register for a school health parent portal account, using just an email
3. Check your email inbox to create a password. It's important that you keep hold of your Username and password for future logins
4. Log into the portal to read further information about health programmes

(Please note, the portal does not work with internet explorer)

Click on this link to register. You will be given the opportunity to opt out should you wish to.

<https://app.schoolscreener.com/Portal/#/CNWLMK/p/MKh226/146462>

If you do not have access to a digital device you can telephone the School Nursing Service on 01908 725100 to opt out.

For further information please contact the team using the details above.

Yours sincerely,
Milton Keynes School Nursing Service
