

As writers we will be:

Developing our phonics knowledge by linking sounds to letters and identifying letters and writing recognisable letters in sequence, such as in our own name.

As mathematicians we will be:

Learning about the composition of numbers 6, 7, 8. And looking at odd and even numbers as well as learning about doubles.

As communicators we will be:

Concentrating on following 3 and 4 part instructions and beginning to understand and use 'Why' and 'How' questions.

Learning overview for parents.

Foundation – Spring 1

Our theme this half term is

'Places'

As readers we will be:

Enjoying a range of digital and print books in, and learning about the difference of fiction and non-fiction

As designers we will be:

Developing our own ideas through experimentation with diverse materials, e.g. light, projected image, loose parts, watercolours and powder paint, to express and communicate our discoveries and understanding.

As explorers we will be:

Looking at places such as Woodland, space, the jungle and under the sea, and asking questions about aspects of the familiar world and natural world.

As citizens we will be:

Looking at aspirations, how to achieve goals and understanding the emotions that go with this.

As expressive artists we will be:

Engaging in imaginative play based on own ideas or first-hand or peer experiences.

As athletes we will be:

Developing our balancing skills whilst stationary and on the move.
