

As writers we will be: looking at 'The Storm Whale' story. During this fiction writing topic we will learn about alliterations, similes, prefixes and suffixes, verbs, adverbs and adjectives. Write a **persuasive leaflet** persuading others to save the oceans.

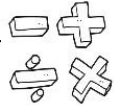

Learning overview for parents.

Year 1 - Spring 1

During this half term our project will be focused on the question:

What lies beneath?

As mathematicians we will be: looking at place value of numbers to 20 and solving addition and subtraction equations using numbers to 20.

As geographers we will be: learning about the world's oceans, including their location and some of the differences between them as a result of climate etc. Looking at plastic pollution and how we can help to solve this issue.

As musicians we will be: investigating how to create music to represent different moods as well as create soundscapes to depict nature. Using different percussion instruments.

As scientists we will be: sorting, classifying and labelling animals. Looking at and grouping materials including wood, plastic and metal.

As citizens we will be:

Looking at how to set and achieve personal goals and how to overcome challenges independently and with a partner.
