

As writers we will be:

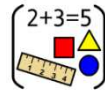

Using our growing phonetic knowledge to write words, captions and sentences relating to the texts we are looking at and following our own interests.

As mathematicians we will be:

Counting and building numbers beyond 20.

We will be manipulating, composing and decomposing shapes. As well as sharing and grouping.

As communicators we will be:

Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction and rhymes.

As readers we will be:

Beginning to read some high frequency words, and use developing knowledge of letters and sounds to read simple phonically decodable words and simple sentences.

Learning overview for parents.

Foundation – Summer 1

Our theme this half term is

Animals

As expressive artists we will be:

Responding imaginatively to artwork and objects. For example, this music sounds like dinosaurs.

As explorers we will be:

Thinking about animals and their different habitats and exploring the oceans and learning their names.

As designers we will be:

Continuing to express and communicate working theories and understandings using a wide range resources and materials.

As citizens we will be:

Learning how to build and maintain positive relationships and explore different family units.

As athletes we will be:

Developing our understanding of playing games through the topic of 'transport'. Being able to run, change direction, throw and catch.
