Mrs Bruce

I am writing to share news that is both heartfelt and difficult. Today marks the retirement of our cherished Learning Mentor, Mrs Marnie Bruce who has been an integral part of our school community for the past 23 years. The decision has been made due to ill health, as she continues her journey with Parkinson's disease.

Over more than two decades, Marnie has dedicated herself to nurturing and supporting countless students, offering not just guidance but also unwavering kindness and compassion. She has been a source of encouragement and hope for so many of our young people and indeed our staffing team. Her impact on our school has been profound, and her absence will be deeply felt by our children, staff, and families alike.

Although this is a difficult time, we also want to celebrate Marnie's incredible contributions to our school and the legacy she leaves behind. Her tireless commitment to the wellbeing of our students has been an inspiration to us all, and she will always hold a special place in the heart of our school community.

We are so grateful for the time we have had with Marnie and wish her every comfort and strength as she focuses on her health and well-being in this new chapter of her life.

If you would like to send any personal messages of thanks or good wishes to Mrs Bruce we can gather these to pass along to her. Please feel free to email the school office or send a note in with your child.

Kind regards

K Outtram
