Dear Parents and Carers,

As we head into the final half term of the academic year, I would like to update you on transition activities that will take place for your child over the next few weeks. Our aim is to ensure that their transition to year 1 is an enjoyable experience and to reduce any anxieties that your child may have about this change.

The Foundation team have been working closely together to plan activities and opportunities for your child to become familiar with their new classroom setting and staff. Transition from EYFS to KS1 is a big step for our children and below are some of the activities your child will experience over the next few weeks.

- **Monday 30th June** & **Tuesday 15th July** = Transition mornings
  Your child will spend part of the morning with their new teacher in their new classroom. This allows your child to build a relationship with their new teacher and start to become familiar with the new environment. After this first session your child will come home with a letter telling you who their new teacher & class animal will be.

- **Wednesday 9th July 3:30 - 4:30pm** = Meet the teacher open classroom. Come in and meet your child's new teacher and explore their new classroom.

Moving to Year 1 is a big step in your child's educational journey. We hope you and your child are as excited as we are as they take this next step. If you have any questions, please do not hesitate to get in touch.

Thanks for your continued support.

Kind regards

Mrs Gemma Langford
Assistant Headteacher & SENDCo
