New classes - **2025/26**

Dear Parents and Carers,

As we head into the final half term of the academic year, we can't quite believe that the time has come to start preparing our children for their final year group at Heronshaw. We know how daunting and exciting it can be moving year groups and changing routines, so we want to ensure we enable all the children to feel confident about the upcoming change.

On the mornings of **Monday 30th June** and **Tuesday 15th July** your child will be spending some time with their new Year 2 teacher for them to begin to get to know each other. This allows your child to build a relationship with their new teacher and start to become familiar with the new environment. After the first session your child will come home with a letter telling you who their new teacher & class animal will be.

During this final half term your child's new teacher will also be spending time popping down and reading stories to their new class.

On **9th July** your child's new teacher will be available to receive parents after school between 3.30pm and 4:30pm if you would like to meet your new teacher.

If you have any questions, please do not hesitate in coming to speak to myself.

Kindest regards,

Mrs Jenny Calder
