TOP TIPS for families

We know how important it is to keep a healthy balance and establish a successful routine.
Here are a few top tips you may find useful.

- Use **Night Shift in the Settings** to automatically shift the display colours to the warmer end of the spectrum in the evening.
- Use the iPad's in-built **Screen Time functionality** to monitor and educate your child on appropriate use of the iPad.
- Charge the device **away from the bedroom.**
- Always refer to the iPad as an **educational tool for learning.**

The iPad is **scheduled to lock automatically at 7.00pm** and will become available for use again between **8-8.30am from Monday to Saturday**. The iPad will have **no functionality on Sundays** to maintain a healthy screentime balance.
